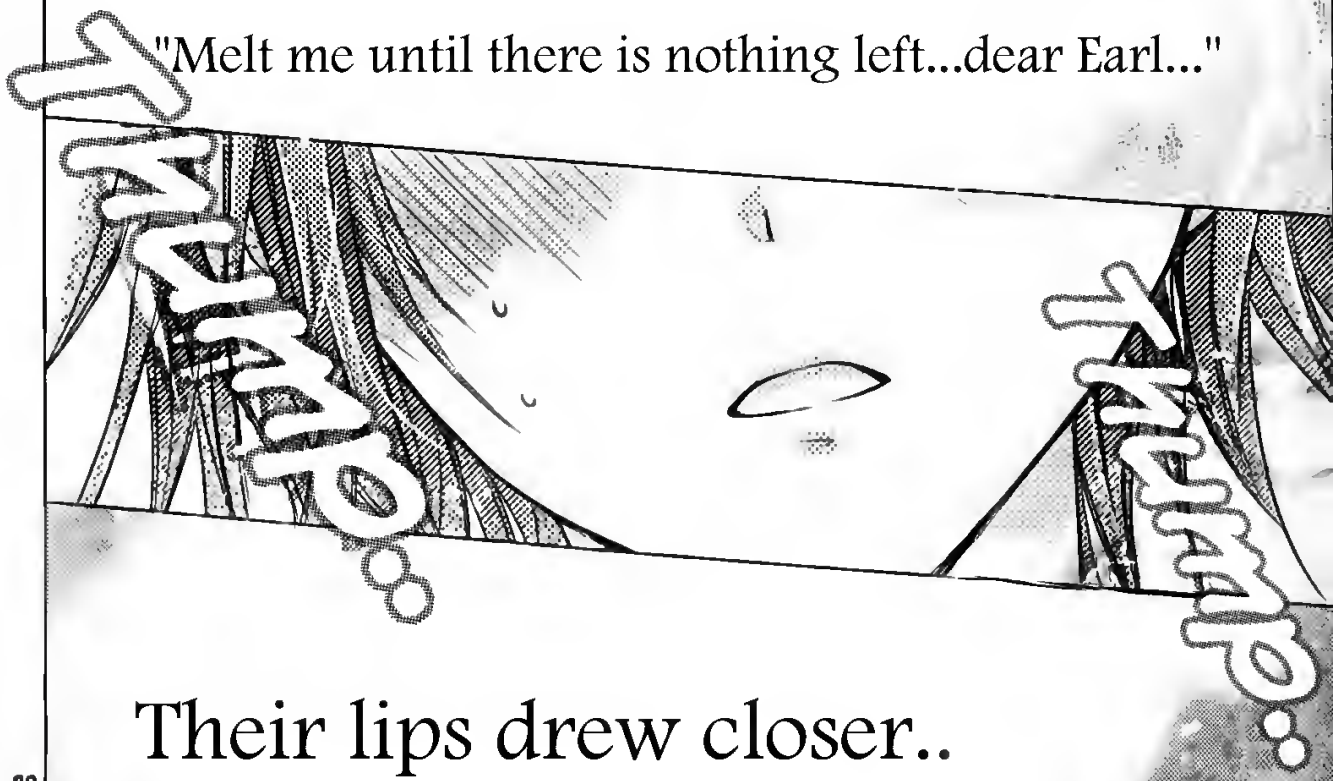
Akuma de Reflec
The two ran towards the night sea as the aurora borealis colored the sky
While everything else froze over in the cold weather,
only their gazes were tinged with a burning passion.

Staring into his eyes,
the princess felt as if her body would evaporate
from the heat.

"I too...my frozen heart was also melted
by these passionate feelings I have for you..."
The earl gently traced Lillia's dry lips

"If the two of us melted and became one
then perhaps...we would always be able to be together..

"Melt me until there is nothing left...dear Earl..."



Their lips drew closer..

...the heck is this... it's not anything like before...
How is she able to convey so much passion now...?
And this thing with the ocean and the brothers..
IT'S LIKE WHAT HAPPENED TO ME! IT PISSES ME OFF...!!

Hm ...
With such poor security
I.. *Ahem* I really can't be stopped from infiltrating this place now can I?

Ah
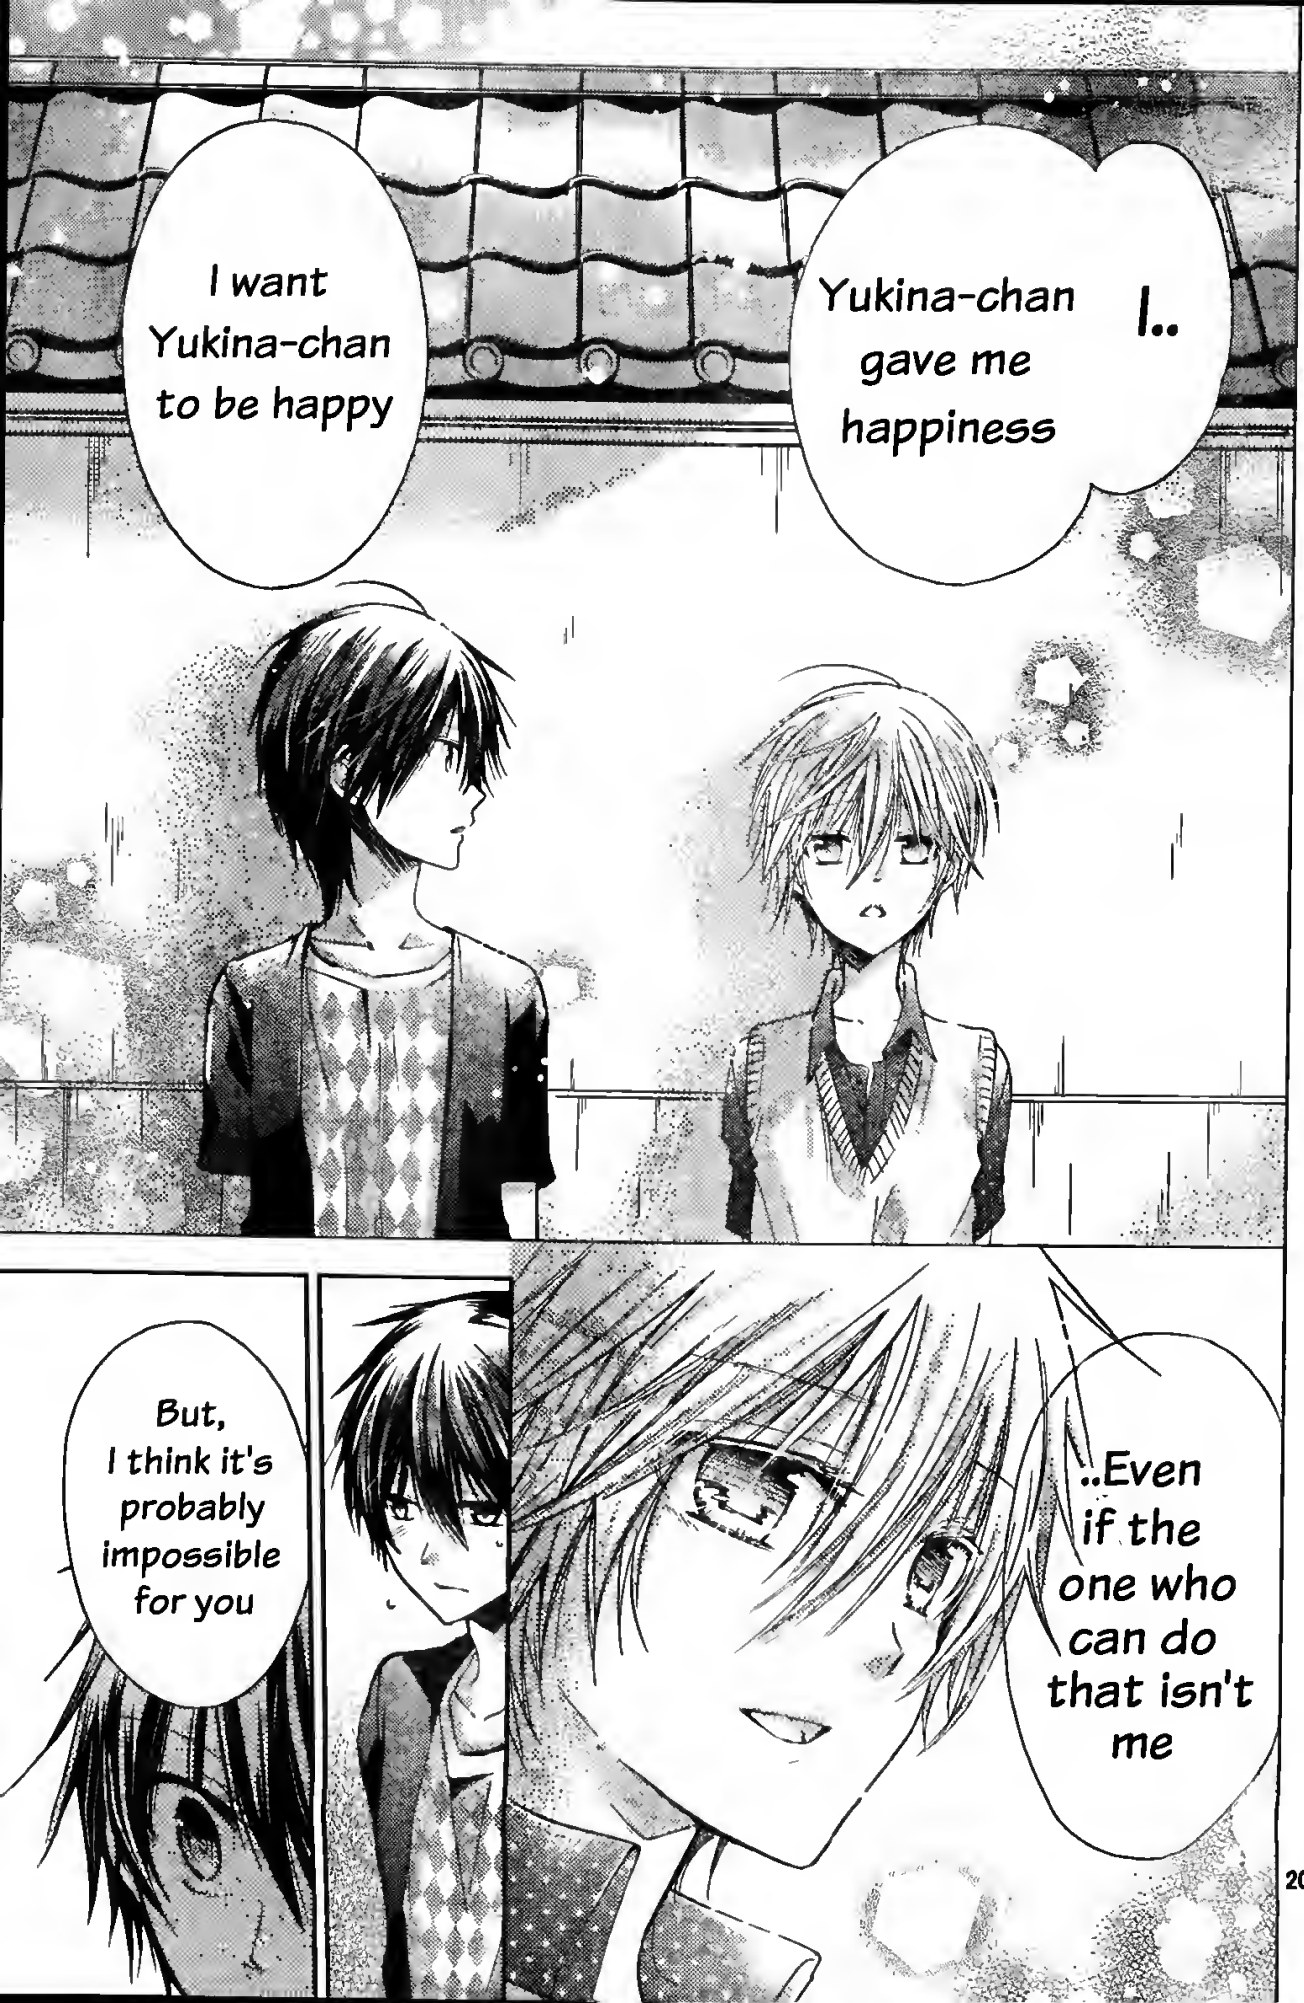
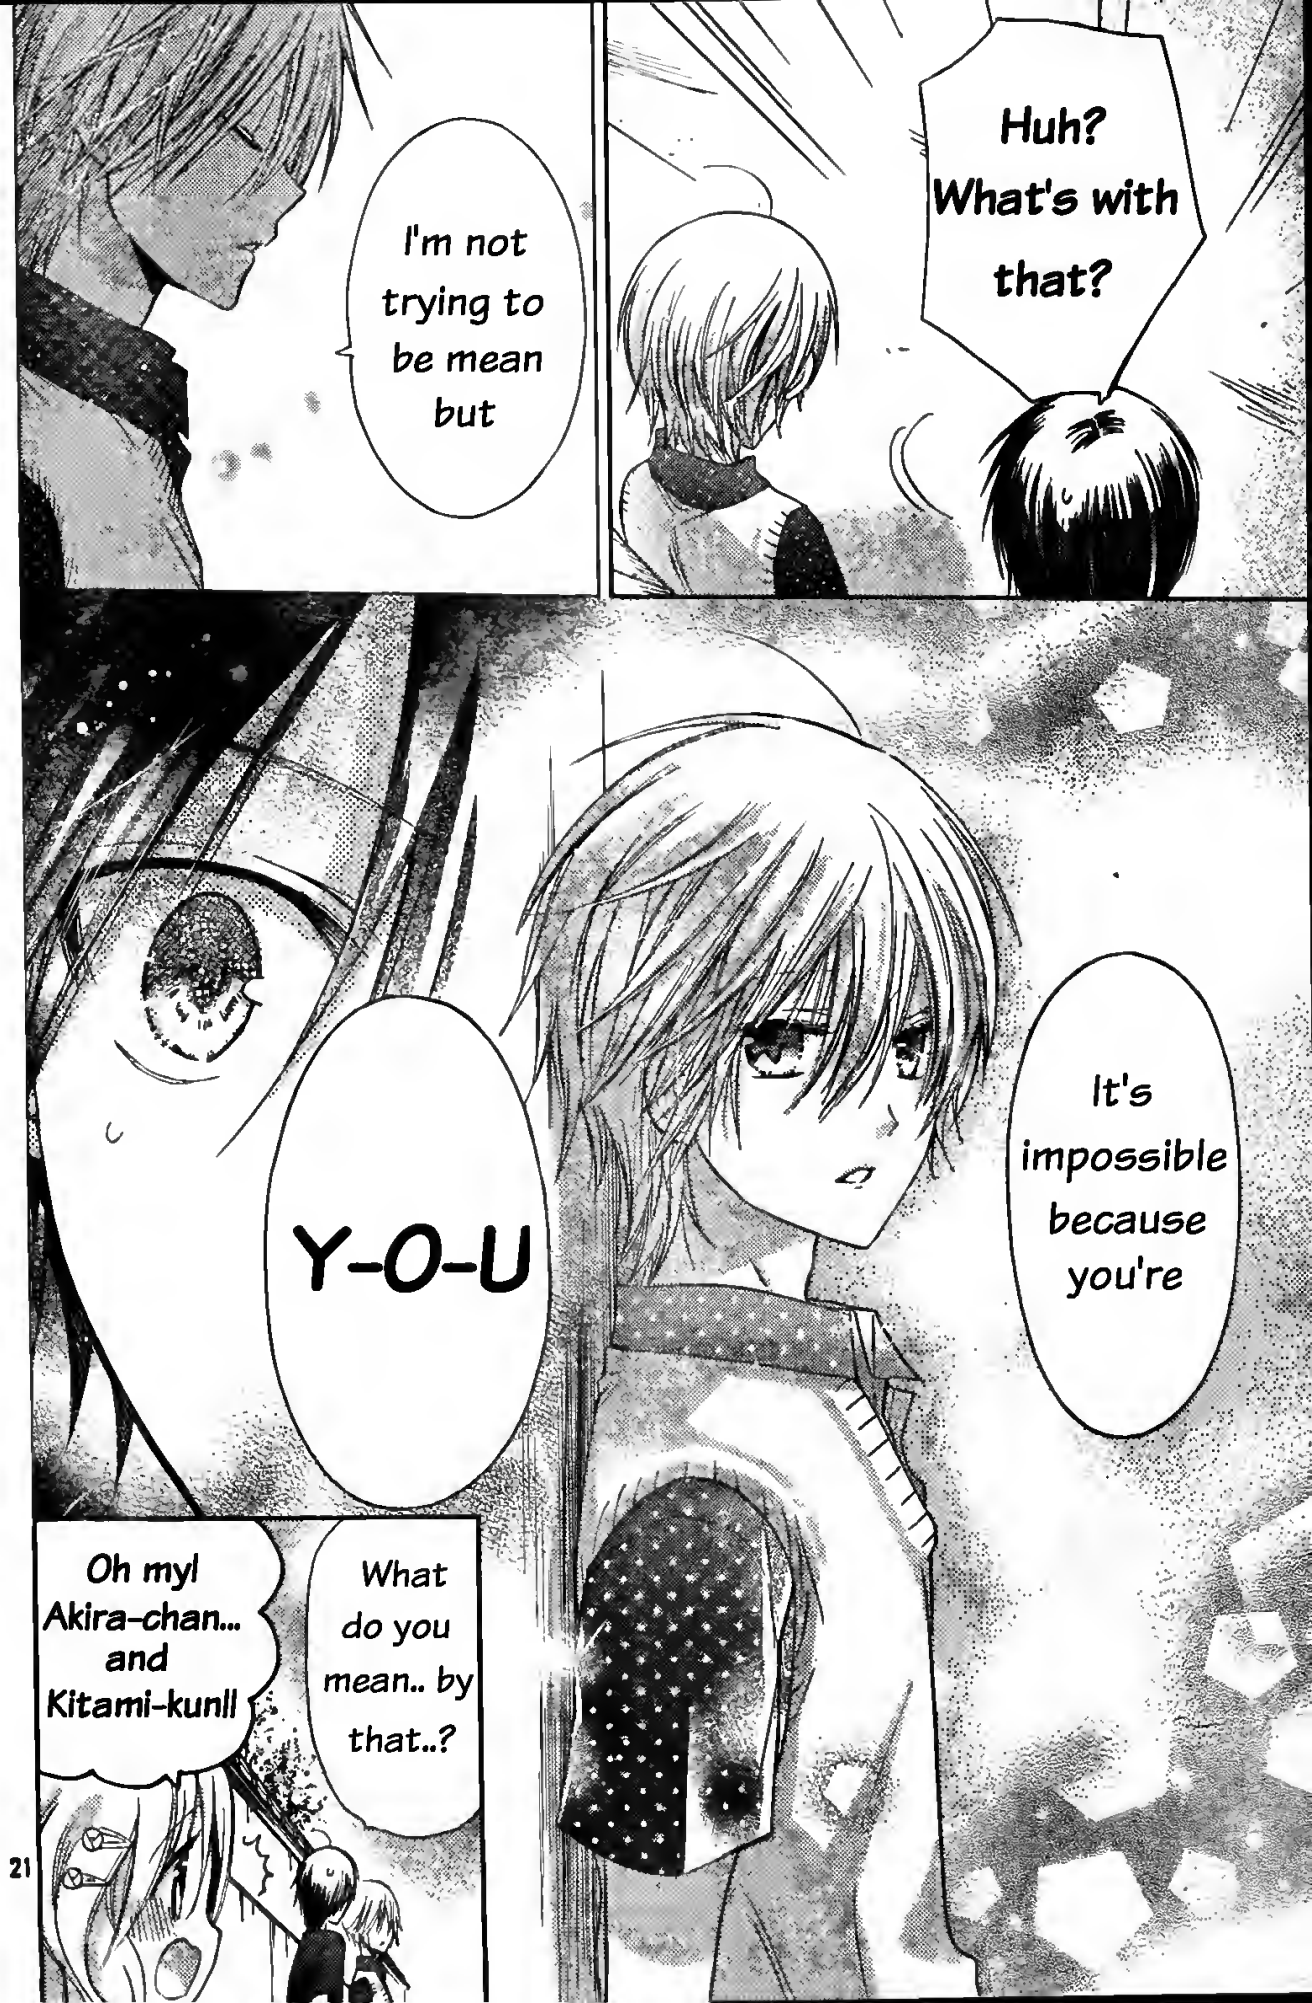
Crying ..?

It's a stalker
N-no you're wrong!?
氷室
I just brought the souvenir I forgot to give
Then why are you loitering in front of Yukina -chan's house
Oh yeah.. If she's still crying then..
Ah
...

..So you've heard
About Yukina-chan and I
..you know



I want Yukina-chan to be happy
Yukina-chan gave me happiness
I..
But, I think it's probably impossible for you
..Even if the one who can do that isn't me



I'm not trying to be mean but
Huh? What's with that?
Y-O-U
It's impossible because you're
What do you mean.. by that..?

It's
Shigure's
fault
that I've
changed...

Sorry
It was just an unsightly
Jealousy
....

This is the first time... I've felt this way too..
I probably left because.. of my jealousy towards the other guys..
I.. felt like I had no space at all

I'm scared because I love you..
